Comparison and selected direction

Scores are expert assessments of the prototype; they are not measured booking outcomes.

Current direction: A - Premium Entertainment, following the requested cinematic refresh.

B receives the highest rubric score for calm discovery and practical hierarchy.

A combines navy, electric blue, warm gold, full-width arena imagery, and hospitality cards.

C emphasizes the visitor's next useful action and contextual planning.

Original navigation retained: Explore / My Plans / Live / Rewards / Navigate.

See the research report for weighted scores, limitations, personas, and pilot roadmap.
